# FORWARD

Ask any seasoned, successful business owner the key to leading the market and you are sure to hear, “It takes a tribe of strategic partners to position your concept for success.”

What Now Media Group spends each and every day interviewing, meeting with, and working directly with the partners that make great concepts successful.

We see all the good and unfortunately all of the bad.

Our Preferred Partners represent what we feel to be the very best at what they do, representing expertise, integrity, honesty, high-quality services and products, and simply all-around good people.

We are confident that these partners will help you be the best you can be.

Sincerely,

*Caleb F. Spivak*
